BETH - WOOD BASEBALL LEAGUE 2023 POLICY 6 - YEAR OLDS IN ROOKIES

In a concerted effort to retain Players within our League, the Board of Directors of the **Beth - Wood Baseball League** has adopted the following policy that will allow 6 - year olds additional opportunities to play up in the Rookies Division (with children ages 7 & 8), a flexibility that should be an enhancement to our League :

Any and all 6 - year olds (who will be a baseball 6 - year old as of **April 30, 2023** - Cal Ripken age cut off date) will be eligible to try out for the Rookies. This will be a **VOLUNTARY** option given to all 6's who register with **Beth - Wood Baseball**.

If Parents express an interest in having their children try out for the Rookies, be advised the following provisos shall be in effect :

1. Parents must register their children in the Tee Ball Division but may opt to have them voluntarily participate in the Rookies Try-Outs to determine if they have the ability to play up in the Rookies Division.
2. The designated Managers of the Rookies will perform Player evaluations of those 6's who participate in the Try-Outs and shall mutually determine a final list of those 6- year olds who are capable of playing up prior to the Rookies "draft".
3. Predicated on these evaluations and Manager's determinations, all 6 - year olds who are deemed capable of playing up will then be placed on a list to be drafted on to Rookies Teams.
4. Parents of eligible 6 - year olds will have until the second week in March following Player Screenings to make a final determination whether or not to allow their children to be drafted up. Once the Teams are drafted, these Players shall remain in the Rookies.
5. Our Board recognizes this policy change provides the competitive opportunity some Players and Parents have desired and qualify for but decisions should be made carefully to ensure success for the Player at a level that best matches their ability for future success.
